## **THE MEETINGS**

The program will consist of four interactive video sessions (via Zoom) of 3 hours with Professor Weiss and the SMA Education Committee. The 12 hours of instruction will be offered on four Fridays starting March 4, 2023. Course materials and outlines will be distributed by internet in advance of each meeting.

The 2021 and 2022 seminars were held online with great success. Participants logged in from Europe, Central America and the East, West and Gulf coasts of the United States. The online format made travel costs and time away from the office unnecessary.

As part of the program, attendees have access to an online library of reference material.
